### **DETAILED ACTION**

The submission of amendment filed on 9/12/2005 is acknowledged. At this point claim 6 has been amended, claims 1-5 and 8 have been canceled and the remaining claims left unchanged. Thus, claims 6,7 and 9 are at issue in the instant application.

#### ***Allowable Subject Matter***

Claims 6, 7, 9 are allowed.

The following is an examiner's statement of reasons for allowance:

Referring to Claim 6 the prior art of record fails to show a PCB including a first PCB and a second PCB superposed on a top face of the first PCB and having a straight through groove and an array of LEDs mounted on the first PCB inside of the groove of the second PCB, wherein a lateral face of the groove acts as reflecting face for a beam from the LEDs.

Claims 7 and 9 are allowed as claims depended on claim 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
